1. If the bidder is a Micro or Small Enterprise as per latest orders issued by Ministry of MSME, the bidder shall be relaxed from the eligibility criteria of "Experience Criteria" as defined above subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Experience Criteria, shall upload the supporting documents to prove his eligibility for Relaxation.

2. If the bidder is a Micro or Small Enterprise (MSE) as per latest orders issued by Ministry of MSME, the bidder shall be relaxed from the eligibility criteria of "Bidder Turnover" as defined above subject to meeting of quality and technical specifications. If the bidder itself is MSE OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover, shall upload the supporting documents to prove his eligibility for Relaxation.

3. If the bidder is a DPIIT registered Startup, the bidder shall be relaxed from the the eligibility criteria of "Experience Criteria" as defined above subject to their meeting of quality and technical specifications. The bidder seeking Relaxation from Experience Criteria, shall upload the supporting documents to prove his eligibility for Relaxation.

4. If the bidder is a DPIIT registered Startup, the bidder shall be relaxed from the the eligibility criteria of "Bidder Turnover" as defined above subject to their meeting of quality and technical specifications. If the bidder is DPIIT Registered OEM of the offered products, it would be relaxed from the "OEM Average Turnover" criteria also subject to meeting of quality and technical specifications. The bidder seeking Relaxation from Turnover shall upload the supporting documents to prove his eligibility for Relaxation.

5. The minimum average annual financial turnover of the bidder during the last three years, ending on 31st March of the previous financial year, should be as indicated above in the bid document. Documentary evidence in the form of certified Audited Balance Sheets of relevant periods or a certificate from the Chartered Accountant / Cost Accountant indicating turnover details for the relevant period shall be uploaded with the bid. In case the date of constitution / incorporation of the bidder is less than 3-year-old, the average turnover in respect of the completed financial years after the date of constitution shall be taken into account for this criteria.

6. 1

The category has been created in accordance with the Model Technical Specification issued by the Ministry of Electronics and Information Technology (MeitY) vide letter No. W-43/4/2020-IPHW dated 19.08.2024 and is based on the parameters defined therein. Buyers shall not prescribe, through Buyer's Technical Specifications / ATCs, any technical parameter, allowed value, particular processor, brand, processor manufacturer or other requirement which restricts or overrides the Category Specifications. Clause 2(e) of the GeM General Terms and Conditions (GTC) shall apply accordingly.

2	Product Verification	Each supplied Device shall bear a unique device serial number or other device identifier traceable to the OEM. The Buyer/Consignee shall be verify the authenticity of the supplied product including the config through the OEM website.
3	Requirement of OEM Logo	Buyers shall not prescribe a requirement for embossing, engraving, or affixing the OEM name/logo on the motherboard or any internal component.
4	Operating System OEM/Publisher Status	There shall be no mandatory requirement that the OEM of the offered should be a Microsoft Device Partner or hold any specific Microsoft authorisation. Where an Operating System other than Microsoft Windows is offered, no partner status or authorisation from the concerned Operating System publisher/provider shall be mandated.
5	Operating System Licensing	Where Microsoft Windows is supplied, it shall be a genuine, legally licensed and duly activated copy of the Windows edition/version declared in the category and the licence shall be obtained through a licensing or distribution mechanism authorised by Microsoft. Where any other Operating System is supplied, it shall comply with the applicable licensing terms and conditions of the concerned Operating System publisher/provider, wherever licensing is applicable.
6	Operating System Verification	Where Microsoft Windows is supplied pre-installed, the Buyer/Consignee shall be able to verify that the supplied Windows Operating System is genuine and duly activated through the OEM, i.e. Microsoft. A valid digital licence or an authorised licensing mechanism permitted by Microsoft for the supplied device shall be acceptable. Where any other Operating System is supplied, similar verification of licence authenticity and/or activation status shall be required only where the concerned Operating System publisher/provider provides a device-level equivalent verification mechanism. Where no such verification mechanism is provided, this requirement shall not apply.
7	Operating System Applicability	The requirements relating specifically to Microsoft Windows licensing, activation and verification shall apply where Microsoft Windows forms part of the contracted configuration. Where an Operating System other than Microsoft Windows is supplied, the applicable licensing requirements of the concerned Operating System publisher/provider shall be complied with, and verification of licence authenticity and/or activation shall be required only where such verification is supported by the concerned Operating System publisher/provider.
8	Operating System-specific Certification / Compatibility	Hardware compatibility certificate prescribed by a particular Operating System publisher/provider may be requested by buyers.
9	USB Port Declaration / Higher Interface Standard	Each physical USB port shall be declared only once under the highest USB capability supported by that port. The same physical port shall not be declared under multiple USB generations/types merely because of backward compatibility. A technically backward-compatible higher-generation version of a pre-defined USB/interface standard may be offered where it meets or exceeds the functionality and performance of the prescribed standard and complies with other Category requirements.
10	Warranty	The warranty applicable to the supplied Device shall be as specified/seller's standard and reflected in the resultant contract. The applicable warranty shall be verifiable through the OEM website, OEM customer support facility or warranty certificate/tag provided by the OEM.
11	Scope of Installation	Installation requirements, wherever applicable, shall be specified by the Buyer in the bid under the Installation, Commissioning and Testing (ICT) clause. If installation is stipulated in the bid, the Seller shall be responsible for installation of the complete system and for demonstrating its satisfactory functioning to the Consignee or the Buyer's authorised representative.
		In the case of Direct Purchase and L1 Purchase, installation of the complete system by the Seller/OEM is mandatory.
		Installation shall be limited to the supplied computer system and shall not include supply or installation of separately procurable software such as operating system software, office productivity software, etc., unless such software forms part of the contracted scope through an appropriate GeM category.

12	Buyer/Consignee Obligations Installation	for	Where installation is included in the resultant contract, the Buyer/Consignee shall provide reasonable access to the installation location and make available necessary site infrastructure, including power supply, networking and other preparation requirements not forming part of the Seller's contractual obligations. Necessary entry/gate passes, where required, shall be facilitated by the Buyer/Consignee.
13	Acceptance of Supplies		Before acceptance and generation of CRAC, the Buyer/Consignee may verify that the supplied device conforms to the contracted specifications, configuration, quantity and warranty requirements and is free from any physical damage or defects. The supplied product shall be new, unused and not refurbished. The Buyer/Consignee may verify the packaging, accessories/documentation, installed operating system where applicable, device serial number/identifier, contracted configuration and applicable warranty.
14	HDD/SSD Retention	Storage	Where required on account of information-security or data-retention considerations, the Buyer may prescribe an appropriate contractual clause under ATCs (in case of procurement via bids) regarding retention of data on media such as HDDs/SSDs used in the supplied device.
15	Availability of Monitor		Supply of the monitor shall be governed by the applicable Category parameters relating to "Availability of monitor". Any specifications or requirements relating to the monitor shall apply only where a monitor forms part of the contracted configuration.
16	Configuration Alteration - Seller		The configuration supplied shall conform to the configuration offered in the catalogue and resultant contract and shall be supported/authorised by the Seller. The Seller shall not make any alteration or substitution of components which results in deviation from the contracted configuration or affects the warranty/support. The machine should be delivered to the Consignee in its original, factory-approved configuration.
17	Service Matrix	Escalation	The Seller shall provide appropriate contact details and an escalation mechanism for warranty/service support to the Buyer/Consignee at the time of delivery.
