

**Ms. Ilisa B. Ishan from Universiti Darussalam, Brunei completed research training under AIRTF program**

From L to R: Prof. A. Nityananda Shetty (Dean Academics), Prof. Shripathi Acharya (Dean R&C), Ilisa Binti Ishan (Research Fellow from Universiti Darussalam, Brunei), Prof. Ananthanarayana V.S (Deputy Director), Dr. Prasanna B.D (Project guide).

Ms. Ilisa Binti Ishan, research fellow from Universiti Darussalam, Brunei, completed her research training under the guidance of Dr. Prasanna B.D, Associate Professor, Dept. of Chemical Engineering. She worked on a project “Optimization of media for submerged fermentation in shake flasks, using statistical techniques” for two months (1.1.2020 to 28.02.2020). This project was funded by FICCI on behalf of DST, Govt. of India, under “ASEAN-India Research & Training Fellowship” program.
