

National Institute of Technology Karnataka

Department of Civil Engineering

M.Tech.(Research) & M.Tech. (Sponsored): Interview - July - 2021

Instructions to Shortlisted Candidates

1. Please make sure that you have a computer (Laptop or Desktop) with camera and microphone facility.
2. Please make sure that your internet connection is good with a proper bandwidth. NITK is not responsible for any interruption of network connections during the interview.
3. You will be required to login through Microsoft Teams. So, install Microsoft Teams on your computer.
4. You will be required to keep the video on through Microsoft Teams, showing your face clearly for the entire duration of the interview.
5. A Microsoft Teams link will be sent to your email address, and you can log into Microsoft Teams by typing your Application Number followed by your Full Name as given in the Application, and then click to Join the Meeting.
6. You are required to login at the start of the allotted time slot and wait in the lobby until your turn for the interview. You will be admitted only when it is your turn for the interview.
7. During the interview, you should be the only person present in the room/cabin.
8. Please make sure that the place is well lit with sufficient light falling on your face from the front. Avoid bright backgrounds, such as windows, doors and bright light sources.
9. The interview will be conducted from 9:30 am onwards on 05.08.2021 (Thursday).
10. Your interview can last about 15 minutes. Once your interview is over, the interview committee will log you out from the link.
11. For any clarification, please contact Dr. PALANISAMY T by mail : phdcivil@nitk.edu.in and through WhatsApp message at 9994862226 (only on the day of interview).
