Ref. No: NITK/Almn/PCRHR Project/2023-24

Date: 22/05/2024

Applications are invited for **Project Associate (PA)** for research in **Petronet** Centre for CSR funded research project on Renewable Hydrogen Research

Objective:

The Project Associate (PA) is aimed to identify motivated young researchers and provide them support for doing research in frontier areas of Petronet Centre for Renewable Hydrogen Research. The fellows will work under a faculty member from NITK, and it is hoped that this training will provide them a platform to develop as independent researcher. The beneficiaries of this fellowship in the future can support the planners and policy-makers of local governments in strengthening their capacity to manage problems related to waste and access to clean water as well as energy. Further, they can also create employment opportunities, which will help in social upliftment and promote social integration as well as social inclusion.

The availability of the funding will be for a period of one year. Interested candidates should fill in their academic and personal details in the prescribed application format and send the same along with attested copies of relevant certificates within 10 days from the date of advertisement to the contact person. Only the shortlisted candidates will be informed by post/E-mail/Phone/ Website: www.nitk.ac.in.

Shortlisted candidates should report to the contact person for certificate verification, followed by test and technical interview. The interview is most likely to be held during First week of June 2024. Any change in the date of the interview will be intimated through email. Selection will be based on qualification, experience, test performance, and interview. TA/DA will not be paid for attending the written test and interview. NITK, Surathkal reserves the right to reject any or all the applications without assigning any reasons. Selected candidates will be required to join immediately.
